

The innovative wheel alignment system.

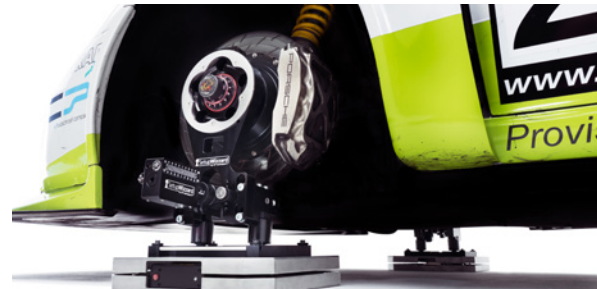

#setuptowin

MODULE EASY

MODULE BASIC

MODULE PRO

The best of both worlds – our time-saving addition to the classic toe gauge. The perfect symbiosis of tradition and innovation leads to best possible efficiency during measuring.

### EASY

High-end measurement technology combined with the easiest way of use. Our setup wheels can be used with all common wheel load scales.

### BASIC

Our undisputed bestseller for most demanding teams worldwide. Perfection in measuring results for all Sprint, Endurance, Rally and Formula series.

### PRO
